The maintenance charges of the Local Fund Dispensaries at Maddur, Nagamangala and Frenchrocks are, at present, met entirely by the District Board, Mandya. I have no objection to the proposal to recover the usual quota viz, one third from the respective Municipalities. The opinion of the Municipal Councils may be ascertained before the question is finally settled.

Sir,

I have the honor to state that it is seen from the District Board Budget Estimates of this District for several years, that the full quota of charges of the maintenance of the local fund dispensaries at Mysore, Channarayana and Channarayana, are to be paid by this District Board only, whereas the concerned municipalities are not paying anything towards the same.

Probably, the Mysore District Board, have consented for payment of full quota of maintenance of these institutions, when they were started, on account of their low finances then existing.

In this connection, I may state for the information of Government that a reference was made to the Senior Surgeon in Mysore, Bangalore, along with a copy of the resolution passed by the District Board at their meeting held on 5-7-45 with this office letter No C-85/44 dated 19-5-46, for obtaining sanction of Government for payment of 1/3 quota from the above municipalities towards the maintenance of the local fund dispensaries at the places mentioned above. It has to be stated by the Senior Surgeon in Mysore that

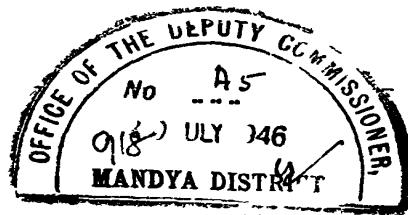

P.T.O.

in the matter

Besides, all these three municipalities have found self-supporting in their financial condition now, I request you to kindly obtain sanction of Government for payment of 3 quota of the maintenance of the Local Fund Dispensaries at Agaraigala, French Rocks and A'aur, at least from 1940-47 only, so as to enable this District Board for utilising the same amount for starting some more reduced scale of local fund dispensaries in rural parts of this District, for which medical aid is absolutely necessary
